Mattresses, Crash Mats, Evacuation Sheets & Sensor Pads

Casa Flex Core Foam

This high quality single foam Casaflex Mattress offers exceptional comfort if you are at medium or high risk of developing pressure sores. The mattress is four-way turn to reduce the risk of wear and maintain its pressure relieving properties. The Casaflex Mattress has been specifically formed on both sides to ensure it moves in conjunction with your bed. It also has a sewn two-way stretch waterproof cover to allow the mattress to breathe. This in turn allows the foam to move and adjust to the profile of your body, while providing a safe, dry environment.

€135.00 (excl VAT)

Dyna Form Mattress-Venus

The Dyna-Form - Venus™ mattress is specifically designed for users considered to be that of "High Risk" of pressure ulcer development. Comprising of a specialist "castellated cut" and a re-enforced Combustion Modified High Resilient Foam (CMHR) underside, this product provides not only great pressure re-distribution properties, but patient comfort & longevity. Complete with a durable, multi-stretch, vapour permeable cover and a toughened polyurethane base, the mid-range Venus™ mattress provides aid to the ever important infection control standards of a modern Hospital, Nursing or Homecare environment.

€255.00 (excl. VAT)

Dyna Form Mattress-Saturn

The Dyna-Form - Saturn™ mattress is again designed for users considered to be that of "High / Very High Risk" of pressure ulcer development and for patients requiring complete comfort, and the highest care.

By using a blend of temperature sensitive, visco-elastic foam at patient interface with the finest quality CMHR foam, Dynaform Saturn™ provides excellent pressure re-distribution properties, but with patient comfort foremost considered within its design. Longevity is enhanced by using a mixture of modern foam technology and a contemporary cover. Saturn's durable, multi-stretch, vapour permeable cover also possesses a toughened polyurethane base for use on all bed frame designs.

€285.00 (excl VAT)

CRASH MATS

These crash mats are heavy duty, dense foam crash mats designed for use when there is a risk of a resident falling out of bed. If bed rails are not present on a bed the risk of this is higher so a fall out mat is an essential device. Folds easily for storing whilst the cover is non slip wipe clean material.

Size 198 x 50 x 5 cm

€70.00 (excl. VAT)

EVACUATION SHEETS

This fixes permanently to the bottom of a flexible foam mattress by means of strong elastics. It has safety belts to hold the patient on the mattress and pulling straps at each end. The combination of the slippery sheet and mattress which will flex, will pass through narrow doorways and down stairs. The holding strap at the head is to hold back on stairways. Two people required.

€78.00 (excl. VAT)

WANDERGUARD ALERT SYSTEM

The Lifemax 345+ Voice Alert Alarm with Nursecall is a versatile alarm system for fall management with a choice of voice or 4 different alarm tones. Alarm & mat included.

€155.00 (excl. VAT)

YOUR ANNUAL SERVICE CONTRACT

It is compulsory that Nursing Homes have a means of testing, maintaining and repairing medical devices and equipment. The Nursing Home Regulations and HIQA along with the Safety, Health & Welfare Regulations 2007 require that Nursing Homes carry out tests on electrical equipment and other equipment used in the home.

We provide the following through our two packages:

- Portable Appliance Testing (PAT)
- LOLER testing for Hoists
- Equipment Inspection
- Telephone Support
- HIQA Compliancy
- You will avoid disruption to your residents and their home
- We will provide Certification for each piece of equipment tested

THE GOLD SERVICE:

- Inspection twice a year of all your equipment
 - Free Service call outs
- Replacement equipment where possible
- All Paper Work for compliance with HIQA
 - Sourcing of Replacement Parts

Only €1,500.00 per annum

The SILVER SERVICE:

- Inspection twice a year of all your equipment
 - All Paper Work for compliance with HIQA
- Additional call outs available at €80.00 per call out

Only €790.00 per annum

Consumables

Wipes

Conti™ Standard is a cost effective patient wipe that ensures both your budget and your skin is cared for. This wipe is soft to the skin and perfect for everyday use. Each wipe measures 30 x 35cm and there are 100 wipes in a poly pack.

ONLY €1.90 per packet!!!

Sangenic Cassettes

Sangenic Easiseal refill cassettes are suitable for use with all Easiseal disposal systems and designed for the hygienic disposal of baby wipes, nappies and incontinence products. Easiseal cassettes use a citrus fragranced, anti-bacterial film which is ideal for odour protection. Easiseal cassettes are available in a choice of light odour or extra strong odour protection. Each cassette lasts up to a month of average use. The film uses 20% less plastic than using a plastic bag making it more environmentally friendly. Each cassette will wrap approximately 98 small pads, 85 medium pads and 75 super pads.

ONLY €5.70 per cassette
